

Post Results Service

What is a clerical check?

A clerical check makes sure that:

- all parts of the materials have been marked
- the marks given for each answer have been totaled correctly

What is a review of marking?

A marking review makes sure that:

- all parts of the materials have been marked
- the marking is in line with the national standard
- the marks given for each answer have been totaled correctly
- the correct result has been entered.

Please note it is not a re-marking of the candidate's script.

A priority review of marking can be requested if the candidate requires a result to secure a conditional place at university or college.

Access to scripts

Access to photocopied scripts - priority is only available for GCE.

Access to original script: once this has been requested you cannot then ask for a review of marking.

Access to photocopied scripts post **Enquiries About Results**: must be requested at the same time as the Review of Marking

Please discuss your options with your subject teacher before applying for post results services.
