

Movement Festival Auditions

Movement Festival Auditions will take place on the **week beginning 12th September.**

If you wish to take part in a particular group, you **MUST** attend the audition listed below.

You will be taught something by the member of staff in charge so you do not need to prepare anything. For each audition, you must wear your Wickersley PE kit and bring the relevant footwear. For example, tap shoes for the tap audition, trainers for cheerleading auditions etc.

If you have any questions about the auditions, please contact the member of staff in charge of the audition that you are interested in attending. The lists of successful applicants will be **on the board outside the yellow gym on Friday 16th September.**

Rehearsals for each group will then start immediately on the week beginning 19th September.

We look forward to seeing you all there!
