Re: School Uniform

Dear parent/guardian,

We know that the majority of our students and parents support our school and we wish to thank you for your continued reinforcement of correct wearing of uniform, with our students. We really do appreciate your support.

However, we do need to highlight the importance of wearing the correct uniform, detailed in the requirements below. Please note that when school reopens after Half Term, if a student wears items which are not appropriate without a legitimate reason, they will be isolated from lessons until the correct uniform is worn.

We are very proud of our school and of our students, as we know you are too, and believe that high standards of uniform positively affects behaviour. As well as this, being properly equipped and attending regularly gives each of our students the best chance of success, and of achieving their potential. These rules are even more important in these difficult times, to maintain some normality and consistency for all students.

Thank you in advance for your support in this. We hope to see all our students looking smart in their correct uniforms.
