

Broadening Horizons

In MFL we aim to foster a learning environment supporting students to become global citizens.

Our use of cultural resources helps to bring the language to life in the classroom, creating cultural experiences for all.

Outside of language lessons there are opportunities for students to develop an awareness and love of different cultures.

In literacy we look at a range of cultural topics such as; Day of the Dead, Tour de France and Bullfighting.

We celebrate European Languages Day, offering different opportunities for students to take part in activities such as quizzes, karaoke and food tasting.

In addition, we have a cultural club after school providing students weekly sessions in culture from around the world.

Careers

We run a series of Careers in the Curriculum Week week in February.

During MFL lessons, we investigate languages around the world and the importance of language learning in the global jobs market.

Careers lessons raise students' awareness and understanding of where languages can take you.

Immerse Yourself

All of the topics we cover in MFL have sentence builders which contains all the vocabulary students need to succeed in their language lessons.

The sentence builder shows students how to link words into sentences with the added support of English translations.

These resources, along with the language gym online are essential tools that student can use to supplement their language learning and aid revision.

Praise and Reward

Our rewards system can be broadly split into four categories: classroom level, subject level, school level and privilege rewards. We'll focus on classroom and subject rewards here - for more information about our rewards schemes, please see our website.

YEAR 7 Curriculum Newsletter

Curriculum Intent

The MFL curriculum is designed to empower students to draw maximum cultural, personal and economic benefit from the role of global citizenship.

Through oracy skills, expansion of vocabulary and literacy we aim to enable students to communicate confidently in a wide range of social settings. In KS3 we believe that our curriculum and enrichment content promote a seamless transition into the GCSE language course.

The MFL curriculum is sequenced to allow knowledge and skills to develop simultaneously and progressively. By revisiting and enhancing key language skills in different settings students develop their ability to recall, analyse and evaluate usage and at the same time build independence and resilience.

Have your say!

At WPT we're always looking for feedback. If you have any thoughts/opinions on this Curriculum Newsletter, its content or the curriculum in general, please scan the QR code to fill out a short feedback form.

Year 7 Curriculum

The topics covered in year 7 aim to consistently revisit essential language to enable students to become confident linguists able to use vocabulary in a variety of contexts. Some of the topics we cover in year 7 are;

Introducing Yourself

Essential language that students will need such as; greetings, numbers and birthdays.

Family and Descriptions

This topic enables students to describe family members, through learning key verbs and adjectives. Cultural resources are embedded throughout for students to learn about celebrities from different French/Spanish speaking countries.

Food and Opinions

Students learn all about typical foods from France and Spain and how to express opinions and justify

their opinions on food.

La Chandeleur and Semana Santa

These cultural lessons are dedicated to raising student's cultural awareness of important celebrations in both France and Spain.

Fluency Skills

Dedicated lessons based on retrieval of previous topics and confidence building. Students have the opportunity to reflect on previous learning and link all key skills with the aim of improving their fluency in both languages.

Assessment Points

In year 7, students are assessed each half-term in class, on a range of skills listening, reading, speaking or writing activities.
