

Broadening Horizons

Across the trust, there have been many opportunities for Y11 to get involved in broadening their horizons in sport.

These include; the movement dance festival, ski trips, climbing events, Wimbledon trip, a football tour to Valencia, the world challenge in South Africa at WSSC and trips to the Rotherham Civic theatre and to London to see live Dance shows.

Careers

We run a series of ‘Careers in the Curriculum’ weeks in our school. For PE, this week takes place in the winter term.

Students take part in activities to encourage them to think about how what they learn in the classroom can be applied in a number of future careers.

Praise and Reward

Our rewards system can be broadly split into four categories: classroom level, subject level, school level and privilege rewards. We’ll focus on classroom and subject rewards here - for more information about our rewards schemes, please see our website.

CLASSROOM LEVEL REWARDS

Awarded for: working hard, taking risks and rising to a challenge, making mistakes and learning from them, helping others, and taking pride in the school community.

Rewarded by: praise postcards, positive phone calls to parents/carers, positive text messages home, and lesson-based prizes.

SUBJECT LEVEL REWARDS

Reward scheme: Star of the Week, curriculum awards (Subject/School Way, participation, working with pride, embracing the whole curriculum), high flyer, extra mile, most improved.

Rewarded by: names displayed on reward boards, certificates, social media posts.

Curriculum Intent

A high-quality Physical Education curriculum inspires all students to participate in a broad and balanced curriculum.

It should provide opportunities for students to become physically confident in a way which supports their health and fitness.

Opportunities to compete in sport and other activities, build character and help to embed values such as fairness and respect. We also aim to develop the social and emotional well-being of our students.

Have your say!

At WPT we're always looking for feedback. If you have any thoughts/opinions on this Curriculum Newsletter, its content or the curriculum in general, please scan the QR code to fill out a short feedback form.

Year 11 Curriculum

Our Physical Education curriculum includes invasion games, striking and fielding games, net/wall games, athletics and healthy lifestyles which provides students with a well-rounded education that promotes physical activity and encourages lifelong fitness habits.

In addition to these traditional physical activities, the curriculum also includes inclusive sports such as sitting volleyball, boccia, goalball and blind football.

In Year 11, students continue with one CORE PE lesson a week and this has focussed on game play. The Year 11 qualification group this year were the last cohort to go through BTEC Sport and completed their Personal Training unit to great success.

GCSE students have followed one theory lesson and one practical lesson a week. They have concentrated on mastering their sports to be moderated as well as preparing for their exams that they take in May and June.

Year 11 students will continue to develop their character and physical competence as well as increasing their knowledge and understanding of the value of life long participation in Sport. This is done by ensuring lessons are both engaging and purposeful as well as additional opportunities for students to 'try something new' in the form of taster sessions.

Students should tackle complex and demanding physical activities. They should get involved in a range of activities that develop personal fitness and promotes an active, healthy lifestyle.

Assessment Points

In Year 11, students are given effort grades in CORE PE. In Sports Studies, students submit their Practical and Leadership unit in January. Y11 GCSE Students sit their two exams in May and June and Sports Studies students sit theirs in May.
